

THE MUFTI OF JAMAICA?
THE RECENT MEDIA FROLICS OF (“SHEIKH”)
’ABDULLAH FAISAL
December 2007 CE

So Faisal now appears to have turned over a new leaf as it were, and not making any referral to jihad whatsoever. So from whence Faisal used to boldly claim that he was a “Sheikh of jihad” he now denies its importance for Jamaican audiences! There is no doubt that Faisal has done this due to his fear and realisation that he can in no way whatsoever preach the extremism for which he became so infamous for in the UK and the US. What is interesting is that finally Faisal has realised to give *da’wah* within Jamaica from whence he never showed any concern for Jamaica prior to his expulsion from the UK and forced departure to Jamaica. Indeed, he did not visit the land for fifteen years and choosing instead to call the Muslim youth in the UK to erroneous ideas of jihad, *takefeer*, criminality and foolery.

We’ll list some of the observations taken from Faisal’s recent media frolics on the Jamaican TV programme *Religious Hardtalk*:¹

- ✓ After 7 minutes and 20 seconds Faisal says: **“I have been to 30 countries preaching Islam and I have been warmly welcomed by all of the countries even by the Chinese Muslims in Hong Kong. But I have to say that the warmest welcome I got was at the Norman Manley Airport by the Jamaican authorities.”** Hereby praising a non-Muslim government which Faisal used to say were all fair game for deception. What happened to Faisal’s vitriol against the “Kuffaar, Babylon system” that he used to always go on about?
- ✓ After 8 minutes and 35 seconds he says: **“The Jamaican authorities have been brilliant...the beauty about the Jamaican authorities is that...they did not pre-judge...”** Lauding more praise upon their system, which Faisal now deems as being worthy of praise?!

- ✓ After 9 minutes and 13 seconds, he says: **“There’s a reason why the Jamaican authorities took such a stance, if we have heroes such as Sam Sharpe and Manley who are freedom fighters, then it’s quite natural...my struggle is exactly similar and I’m not the first Jamaican to be deported for preaching because Marcus Garvey was deported aswell from America...”** Hereby comparing himself to freedom fighters, and non-Muslim ones at that. But did not Faisal say that cockroaches were better than non-Muslims?! 49 minutes into the lecture entitled *Jihad*’ by Faisal he claims that the cockroach has more dignity than a non-Muslim and that the Qur’aan teaches this!!? Faisal said in the lecture *al-Walaa’ wa’l-Baraa’* (a)²:

“And if you are living in this country and a person approaches you and ask you “what do you think about the system” and you say to yourself, or you say to the person, “Alhamdulillah, it’s not a bad system, it’s a good system, even though my name is Muhammad I’m allowed to sign on and on top of that I live in the Royal Borough of Kensington and Chelsea, I can’t complain.” Now you are in this system and you can’t see anything wrong with the system you say “it’s okay”! Just to give that answer “it’s okay” you become a kaafir!” (!!!)

Faisal also says in the same lecture:

“Kaafirs will always be kaafirs, every kaafir will always find a time to make you feel ashamed of your religion, every kaafir!...Kaafirs will always be Kaafirs!”

Faisal states in the lecture *Enjoying the Good and Forbidding the Evil*:

“The language that the kaafir respects does not come from your mouth, it comes from your Kalashnikov! That’s the only language kaafirs respect, this is why the Prophet said jihaad is compulsory until Yawm ul-Qiyaamah.”

Faisal says after 49 minutes into the lecture entitled *Jihad* (which was available on the *Inshallah Shabeed*’ website):

“Every Muslim would like to kill the kuffaar, unless you’re a munaafiq and you have no al-walaa wa’l-baraa’ in your heart or you love kaafirs. I wouldn’t be surprised if some of you love Hindus and Sikhs and Buddhists and Christians, only munaafiqoon love kuffaar.” (!!!)

Then Faisal says in the same lecture:

“You can even use chemical weapons to exterminate kaafirs. Now if you have cockroaches in your house would you spray them? Huh? Yes! With chemicals! Who

² The lecture can be heard in full here: www.archive.org/stream/alwala1/alwala.rmvb

has more dignity the cockroach or the kaafir? The cockroach, the Qur'aan tells you that! Which ayah in the Qur'aan tells you that? Huh?!"

All of this is straight from the horse's filthy mouth!

- ✓ After 14 minutes and 25 seconds into the *Religious Hardtalk* interview on Jamaican TV Faisal is asked **"Do you support the suicide bombers?"** To which Faisal passes the buck to Yoosuf Qaradaawee saying: **"He is the leading scholar at the moment in the Muslim world, there's no one above him..."** (!!?)
- ✓ After 17 minutes and 50 seconds Faisal says, with regards to Qaradaawee's view on suicide bombing: **"I do not have the knowledge to refute Yoosuf Qaradaawee's fatwa and even if I debate with him I'm not sure I can win. So I 'd rather not debate with him."**
- ✓ After 18 minutes and 27 seconds, Faisal says: **"All the Muslim scholars say you're not allowed to kill innocents, so there is no justification for killing innocents. Even Yoosuf Qaradaawee who passed the fatwa to allow suicide bombing, he specified that it has to be among those who are killing you, he limited it to those who are killing you."** To which Faisal is asked: **"So a lot of the suicide bombings which are taking place in Iraq and Israel would violate that and would therefore be contrary to Allaah's will?"** Faisal responds: **"If they kill innocents it would violate the verdict of the Shaykh (i.e. Qaradaawee)...to kill innocents is a transgression beyond bounds."** Faisal then says: **"9/11 is an immoral act, I'm saying that, whether it is 9/11 or 7/7."** It's as if Faisal has amnesia?! As twenty minutes into the lecture entitled *Jihad'* (still widely available Online), Faisal said: **"Now is there any peace treaty between us and the Hindus? No! So you can go India and if you see a Hindu walking down the road you're allowed to kill him and take his money. Is that clear?"** Also let's refer to Faisal's own support of the so-called 'declaration of war' that was issued by Bin Ladin himself which Faisal translated: http://www.archive.org/details/DeclarationWar_SheikhFaisal
- ✓ After 69 minutes into the interview (from the link provided) Faisal says that Muslims cannot take the law into their own hands and only the Caliph can implement the punishments. But in the vile lecture entitled *The Devil's Deception of the 21st Century House Niggers* (!!?) Faisal says to the audience, **"What do you think we should do with this person (i.e. Aboo Usaamah adh-Dhahabi)?"**

Audience: Kill him!

Faysal: “I can’t hear you?”

Audience: “Kill him!”

Faysal: I still can’t hear you?

Audience: “Kill him!”

Faysal: OK that makes sense.” (!!!)

- ✓ After 82 minutes and 41 seconds he is asked if he was strong psychologically within prison, to which Faisal boldly responds: **“Yes, well if you’re a cleric you have to set an example for other Muslims to follow, you’re not supposed to crack up under pressure...”**?! Hereby asserting that he is a qualified “cleric” (!?) as he calls himself, merely regurgitating the language of those he claims to hate so much.
- ✓ After 86 minutes and 10 seconds Faisal, when confronted with the **“abominable”** statements that he made on some of his lectures with regards to advocating the murder of Jews and Hindus, Faisal remarks: **“Well what I was saying to the Muslims on these tapes is that you should rise up and defend yourselves, this is all I was saying. Because the law of nature says that you need to resist in order to exist...”** (!!)

In a lecture by Faisal entitled *Challenges Facing the Youth*, he says:

“If he is a supporter of kufr, a Saudi Salafee, you have to kill him and chop of his head...”!!

Is this “saying to the Muslims that you should rise up and defend yourselves”??!

In the same lecture Faisal says in the so-called ‘question and answer session’:

“You’re allowed to take all these benefits that these kaafirs offer you, because everything that the kaafir owns is yours. Every single thing that the kaafir owns is yours so you’re allowed to take all the benefits that they offer you and you’re even allowed to have four wives and put them on benefit, so hope that they give you a mansion in Hampstead Heath!”

Is this “saying to the Muslims that you should rise up and defend yourselves”??!

Faisal says, after an hour into the lecture *Let the Scholars Beware*:

“The Jews love Judaism more than the Muslims love al-Islaam, this is why they have a Jewish state and we don’t have an Islamic state. The Jewish Rabbis are more sincere to their false religion more than our Islamic scholars who are not sincere to our religion...Islaam is a religion without scholars...”

Is this “saying to the Muslims that you should rise up and defend yourselves”??!

After forty minutes into the lecture entitled *Rejecting the Taaghboot*, Faisal says:

“So today the Muslims are like the kaafirs of Quraysh...”

Is this “saying to the Muslims that you should rise up and defend yourselves”??!

Faisal says in the lecture *Treachery from Within*:

“The Saudi Salafees, they are your enemies, in fact they are your greatest enemies because they guise themselves, they hide themselves, in clothing of righteousness and piety with a beard and a white thowb, some of them speak Arabic, yet they use their knowledge of Arabic to cement the throne of the apostate leaders...these are the nine enemies who you have to fight in this world today.”

Is this “saying to the Muslims that you should rise up and defend yourselves”??!

After 50 minutes into the lecture entitled *Knowledge*, Faisal says:

“So the Muslims in this country (i.e. the UK), the majority of them, they have no eemaan and no taqwaa, the average Muslim you meet on the street he has no eemaan and no taqwaa...”

Is this “saying to the Muslims that you should rise up and defend yourselves”??!

Faisal says in the vile lecture *The Devil’s Deception of the 21st Century House Niggers*:

“Anyone who listens to this tape, of this man and doubt that he’s a kaafir you become a kaafir! If you listen to this person Aboo Usaamah trying to put Islaam down and Muslims down and jihaad down, if you have an atom’s weight of doubt in your heart that he’s a kaafir, you yourself become a kaafir.” !!!

Is this “saying to the Muslims that you should rise up and defend yourselves”??!

In the lecture entitled *Jihad* (which was available of the *takfeeree* website *Inshallah Shabeed*):

“So you want to go to jannah, put up your hands those who want to go to jannah. It’s easy just kill a kaafir, just kill a kaafir!”!!

Is this “saying to the Muslims that you should rise up and defend yourselves”??!

Faisal says in the same lecture, after 49 minutes into it:

“Every Muslim would like to kill the kuffaar, unless you’re a munaafiq and you have no al-walaa wa’l-baraa’ in your heart or you love kaafirs. I wouldn’t be surprised if some of you love Hindus and Sikhs and Buddhists and Christians, only munaafiqoon love kuffaar.”

Is this “saying to the Muslims that you should rise up and defend yourselves”??!

So the deception of Abdullah Faisal has not ceased one iota! Beware!
